Dear Sir

RE: 2008 WORLD FIREFIGHTERS GAMES - LIVERPOOL BID

On behalf of the World Firefighters Games Governing Body it gives me great pleasure to inform you that Liverpool's bid to host the 2008 World Firefighters Games has been successful.

On the recommendation of the Executive members who conducted the site inspection, the Board of Management voted in favour of awarding the 10th World Firefighters Games to Liverpool.

The concept of England being host country to the World Firefighters Games for a second time is an exciting prospect and we believe the City of Liverpool will benefit greatly from the hosting of this major international event.

On behalf of the Board of Management, I wish you and the Merseyside Fire Services Department every success with your Games.

I will be contacting you in the near future to finalise hosting details and the Deed Agreement.

Yours faithfully

TREVOR PATEMAN  
Executive Director  
World Firefighters Games Governing Body
