**FIRE & RESCUE
SERVICE**

“An Excellent Authority”

Fire and Rescue with a difference at our low activity stations.

Make a difference to your life and your community through an innovative emergency and response role.

An opportunity to earn up to 40K

Merseyside Fire and Rescue Service is a CPA “excellent” rated authority continues to develop the way in which it delivers It’s Services to the Merseyside Community. We are seeking to recruit individuals to work at our low activity stations that are within low risk areas, allowing flexibility in both service delivery and employee work patterns.

You will work pro rata a 42 hour week and be available on call for a further 42 hours per week. This is achieved by being on a firestation for a 12 hour day shift, followed by on call stand by from a local base.

This means that you can provide on call cover from your home if you live very close to the station, or from our

Various Locations within Merseyside

provided accommodation near to the station which will give you your own room with the provision of Satellite TV and Internet availability is provided free of charge whilst you are on call.

The well established role offers an opportunity to work as a community Firefighter, and to make a real contribution to creating a Fire Safe and stronger community, and supporting the people within it.

If you feel you have the skills, and understand the personal values of what makes a great firefighter, then this role offers you the opportunity to begin your career with Merseyside Fire and Rescue Service, and be that difference.
