WORLD FIREFIGHTERS GAMES LAUNCH

MARITIME MUSEUM, LIVERPOOL

30TH NOVEMBER 2006

FEEDBACK FROM ELECTED MEMBERS:

Cllr Newman, Chair of Merseyside Fire & Rescue Authority:

“The World Firefighters Games launch was a very successful and enjoyable evening. It was well attended by Chief Fire Officers and Leaders of District Councils, also Councillors. The speakers and food were excellent.

My personal thanks go to our sponsors, 02 Airwave and to the organisers of the event. Well done.”

Cllr Byrom, Opposition Spokesperson:

“Whilst I missed the very beginning of the launch event, I thought the presentations, dinner itself, the atmosphere, after dinner speaker and so forth made for quite an exciting evening.

I spoke to the colleagues from 02 and am looking at ways for them to give a short presentation on Fire Link to a future Fire Forum

A very good night, light interesting, funny and not to be missed!”

Cllr Mann, Elected Member:

“I would comment that the evening was well organised in a nice venue. The catering was excellent as was the service at the table. The evening was most enjoyable.

Only one point I felt could have been better utilised was that, I was seated at a table which only had elected members on it with no opportunity to talk to other guests.

On the whole it was a very successful event in my opinion.”
