

**Proposed Amendments to IRMP2 AP1 following Consultation.**

**1) Page 21 Insert between diagrams**

“The overall number of incidents has also seen a dramatic decline over the same period, shown below. “

Average lines need labeling on lower diagram 2003/4 and 2005/6.

**2) Commercial Fires Reduction Team. Page 28**

Add to beginning of last paragraph.

“This team will maintain a close relationship with operational staff to ensure efficient transfer of local knowledge, intelligence and skills to and from the team.” The team will also provide security and safety..

**3) Derelict Property Strategy. Page 28**

Add at end of point

“We will consider the implications of the strategy on our resource deployment and implement actions which will foster greater co-operation between operational staff, Arson Reduction Advocates and all other involved agencies.”

**4) Intelligence Led Targeting of Home Fire Safety Checks and Smoke Detector Installation. Page 29**

Add at end of point

“We will also endeavor to identify and make direct contact with individuals who have never received a Home Fire Safety Check.”

**5) Rescue Concept. Page 31**

Replace final paragraph

“We will also consider forming collaborative agreements with other first responders, whilst maintaining close links with all other operational personnel. We will examine ways to expand these specialist skills across the workforce and the Merseyside area.”

**6) Motorbike with Fire Fighting Capability. Page 32**

Add at end of point

“We will also ensure the fullest utilisation of this resource by making it available to carry out additional community safety work when it is not being deployed as an emergency response.”

**7) Community Fire Station Kensington. To be added at end of Page 33**

NEW Action Point

“We will establish a new community fire station in accommodation in Kensington, Liverpool. This will improve the overall quality of service and performance in conjunction with the new City of Liverpool Community Fire Station, situated on St Anne’s Street, Liverpool.”

**8) Social Enterprise. To be added at end of Page 38**

“We will explore the feasibility of using a social enterprise to provide a framework to deliver commercial related aspects of our service to the community. The results of the study will be implemented.”

**9) Action Plan Numbering. Page 48 to 59**

Year Prefix. Strategic group. Action point number in this year’s list.

Example for this year; 07.1.1 – Commercial Fires Reduction Team

ALL points in future Action Plans will be given a unique reference number using this scheme.

**10) Action Point 07.1.2 Derelict Property Strategy. Page 48**

Change from M to **H** (high priority.)

**11) Action Point 07.1.9 Hate Crimes. Page 49**
