

The Roy Castle Lung Cancer Foundation is the only charity in the world wholly dedicated to defeating lung cancer. Despite this disease being the biggest cancer killer of both men and women in the UK, only 3% of all cancer research funding is directed in this area.

To find out more about supporting the charity call 0871 220 5426 or complete, tear off and return this form to RCLCF, 200 London Road, Liverpool, L3 9TA. You can also donate online at www.roycastle.org Thank You.

If you are a tax payer The Roy Castle Lung Cancer Foundation can reclaim 28p from the Inland Revenue for every £1 you donate.

I am a UK taxpayer & would like The Roy Castle Lung Cancer Foundation to treat all donations I have made since 6 April 2000, and all donations I make thereafter, as Gift Aid donations. I understand that I must have paid an amount of income tax or capital gains tax equal to the tax you reclaim on my donations. Please tick to gift aid it

Please tick if you wish to be kept informed of our work.

Merseyside Fire & Rescue Service is delighted to be working in partnership with The Roy Castle Lung Cancer Foundation. Our aim is to reduce the number of smoking related fire deaths and injuries in the home as well as reducing the number of smokers in Merseyside.

124,000 people die each year in the UK from smoking related illnesses of which about 30,000 people die of lung cancer.

Smoking is the single largest cause of house fire deaths. Potentially 200 deaths and 2,000 injuries in the UK could have been prevented if smoke alarms had been installed.

Smoke cigarettes?... ...smoke alarms instead!

Protect you, your family and your home - get a smoke alarm.
