

Course Title Fire Extinguisher Training

Eligibility

Open to all employees

Course content

This course is specifically designed to promote fire safety within the workplace and the training includes theoretical and a practical demonstration for students who are encouraged to use any of the extinguishers found in the workplace on a real fire.

To provide students with the sufficient knowledge, confidence and practical skills needed in the selection and use of fire extinguishers.

Outcome

Students will have received training in the following areas:-

Theory Session

- Fire & Legislation
- Fire Classification
- Fire extinguisher capabilities and limitations
- Fire Extinguisher Types and colour coding
- Application of extinguishing media

Practical Session

- Fire Action Routines
- Use of Water & Co2 Extinguishers on Real Fires
- Demonstration of Foam Extinguisher
- Demonstration of Fire Blanket

Duration of the course is 2 hours (am or pm session) Course cost is £485.00 + vat for up to 20 students at your workplace.

Certification

Certificates will be awarded to all students successfully completing the course. This course complies with the Regulatory Reform (Fire Safety) Order 2005 and Health and Safety legislation.
